Ann Teresa Blair-Ladner died on July 15, 2022 at age 68 in Chardon, Ohio.

After living in such exotic places as Makakilo, Hawaii and Las Vegas, Nevada, Ann recently moved back to Ohio on a farm in Chardon, Ohio, a place she truly adored.

She was an enthusiastic member of our 50<sup>th</sup> reunion committee, and we will greatly miss her laughter and wonderful ideas. Her sister says that Ann was very proud to be a Lakewood High School alum and that one of Ann's fondest memories of LHS was playing the role of Fruma-Sarah in "Fiddler on the Roof" our senior year.

High school friends remember her fondly as someone who was always kind. One said, "Ann will be missed. I remember her as full of energy and willing to do things for others," while another recalled a memory from junior high, saying, "She was my baseball and track and field rival at Horace Mann. She could throw a baseball a mile it seemed!"

While she was a student at Lakewood High, Ann was in Symphonic Choir and Barnstormers, where she achieved the rank of Thespian.
