Cheryl Dorothy Dutton Hakal died on September 8, 2024 at age 70 in Olmsted Falls, Ohio.

Cheryl is survived by her beloved husband of 39 years, Albert Hakal, her two children, Matthew Hakal and Allison Hakal, and siblings Phyllis Alvarez and Laura Golobic. Predeceasing her were her parents, Charles and Dorothy Dutton, as well as her sisters Debra Nash and Janet Howard.

Her dear friend and our classmate Connie Zimmerman recalled her decades of friendship with Cheryl: "Cheryl and I met in 10th grade during lunch. And we just connected with each other and with our families. My parents adored her, and her mom loved me. My family considered her a Zimmerman because she was always around! We took trips together and shared our kids, and she sat with me in my darkest hours when my son passed away. She considered me and Una McShane Alexandrovic her "tier one" friends, and we were honored to hold the position. We enjoyed life to the fullest together and she will be missed so much, but I have so many memories till I see her again.

While she was a student at Lakewood High, Cheryl served as the Times homeroom representative and was a member of the Boosters.
